Tree Health and Safety Survey Croydon Road Recreation Ground Beckenham

Jonathan Mills Senior Arboricultural Officer Environment and Leisure Department London Borough of Bromley

Report generated 8th July 2005

Contents:

Tree List - Complete list of trees on site

Tree Measurements

Tree Attribute Type

Tree List

A comprehensive list of all the trees surveyed on the site.

Tree number:

701,702 etc - trees are numbered consecutively, starting at 701.

Location:

A brief description of the site using shorthand such as o/s - outside, fo - front of etc.

Species:

Of individual tree, or may be given as 'Mixed species' for a group of trees

Quantity:

For most trees quantity is 1.00. Some trees are surveyed as groups, especially if they are all the same species and age group, or if there are multiple young trees in a confined area. The quantity will also be greater than 1 if the tree is multi-stemmed.

Site: CROYDON ROAD RECREATION GROUND (CRRDRG)
Feature Group: Arboriculture - Trees
Dead: No
Assessed: Both
